Register to win a **FREE** scenic switching railroad. It includes an operating engine, some freight cars, and a power pack. The drawing will be held at 3pm on Sunday .

Railroad enthusiasts of all ages are invited to join us at the show to see and operate display layouts from N scale up to live steam, shop vendors of model and prototype railroad gear and equipment, build something at the make-and-take table, and find answers to all your local railroad-related questions with regional historical societies and museums. **\*\*Bring your Free Mo modules for a set up on Saturday at noon.\*\***
