

38th Annual Lincoln Square Train Show 2022 Combined Vendor and display Layout Application

Enter your contact info to begin, then fill out the vendor and display layout parts of the application as they apply. We will ONLY use your contact info for train show purposes and not trade or sell it to anyone else. Fields marked with an asterisk are required, but filling out the other info will help facilitate last minute communications in these often uncertain times.

PLEASE PRINT CLEARLY, Return this page to us, and keep the first page for reference.

Primary Contact, First Name* _____ Last Name* _____

Organization Name _____

Postal Street Address* _____ Apt/Sub-unit # _____

One Non-profit Free Table ____

Total Tables Requested: ____

Total enclosed (by Check) \$____

Make checks payable to: Illinois Terminal Division

Electricity: Electrical outlets are somewhat limited, but we can usually figure a way to get you hooked up. Please check the following box if you are requesting electricity.

Electricity requested: ____

Please note that we will operate with a little less available space due to the weekly Saturday market (8am-noon) growing. With the enthusiasm for train shows resuming, we may very well sell this one out. To ensure your needs, return this application promptly!

Over for Display Layout Application

39th Annual Lincoln Square Train Show 2022 display Layout Application

We are committed to expanding the number of layouts on display at the Lincoln Square Train Show. First, we invite anyone with a display layout to submit an application and we will try to fit in as many as we have space for. We ask that you commit to operating both days, if at all possible. Second, continuing a past practice of the organizing committee we will pay a \$100 stipend to three non-local layouts that submit this application by the February 8 mailing deadline. Finally, for those who are comfortable with interacting with the public under current conditions, we will prioritize layouts where the public is in some way invited to operate at least part of the time under your supervision.

Name of Layout _____

Layout Scale/Gauge _____ Layout Power DC___ DCC___ Deadrail___

Layout Size _____ ft X _____ ft (length and width as you intend to display at THIS show)

Layout Theme, Prototype, or Operational Approach

Willing to allow show visitors to operate **your** equipment under your supervision? YES___ NO___

Willing to allow show visitors to operate **their** equipment under your supervision? YES___ NO___

Will operate BOTH Saturday and Sunday? YES___ NO___

The organizing committee will consider all non-Champaign County-based display layouts for the three \$100 stipend awards at our February 12 meeting and will notify all applicants of the status of their application by February 15. Please include a phone # or email for us to contact you expeditiously.

Please observe the request from the organizers of the weekly market that opens at 8am on Saturday to load in through the South mall entrance no later than 8 am or use the East or West entrances between 8am and noon on Saturday, when the weekly market closes.
