FREE Parking, FREE Admission, Vendor Tables, each: \$30 one day, \$35 both days

To join us as a vendor, return the enclosed form with your payment by check or money order

Items being sold should be model railroad, prototype or train-related

Tables are each 8' long, with two chairs supplied per vendor

Deadline: Postmarked by February 28, 2022. Later? Call to check if we still have tables available.

If you would like to apply to bring a display layout or are a historical society or other non-profit, return the enclosed form. Each gets one free table. Three non-local layouts can receive a \$100 stipend to partially defray their expenses. We will try to fit in as many layouts as possible, local and non-local, beyond the 3 that receive a stipend.

Deadline for display layout stipend award: Postmarked by February 8, 2022

Note: The weekly Indoor Farmer's Market is larger than during recent shows. We ask if at all possible that you load-in either Friday evening or before 8am on Saturday, especially for display layouts, if using the South mall entrance. Between 8am and noon on Saturday, please use the East and West entrances, which are generally better since most show exhibits will be in the East-West hallway. Much of our public advertising lists 10am as the Saturday opening time, but you can start at 8am if you choose and we will advertise the 8am start going forward.

Note: There is limited security at LSM before and after the show closes. Most vendors cover their tables overnight. We've never had a significant issue during a show, but you should take precautions as you see fit as we can make no guarantees regarding security.

COVID Notice: Those attending the show are required to observe any local restrictions in effect at time of the Show. We anticipate this **will require wearing a mask**, but other measures could be in place. We will communicate any last minute changes to you to the extent of the contact info you supply to us. We highly recommend that you come prepared to take standard sanitation measures you feel are appropriate to protect yourself.

The show will go on unless it becomes prohibited by government order.
